*A By-Law to provide for the appointment of Park Commissioners for the City of New Westminster, and to define their duties.*

THE Mayor and Aldermen of the City of New Westminster, in Council assembled, enact as follows:—

1. That there shall be appointed by the said Council, from time to time, five persons who shall be called Park Commissioners, of whom two shall be members of the Council for the time being, and three shall be resident electors of the city, having the necessary qualification required for Mayor of the said city.

2. The said Commissioners shall be appointed each year at such time as the Council may determine, and shall hold office for one year from the date of their appointment, or until the appointment of their successors.

3. Previous to the appointment of said Commissioners, and at the time of holding the annual civic elections in December of each year, the City Clerk, as Returning Officer, shall make such provisions as will enable the electors of the city to select, by ballot, the three Park Commissioners who are to act in conjunction with the two Commissioners who are members of the Council, as provided in the first section of this by-law, and the mode of election shall be similar to that prescribed for the election of Mayor: Provided that it shall not be lawful for the persons chosen by the electors as Park Commissioners under the provisions of this by-law to act as such Commissioners unless and until they have been appointed by resolution of Council.

office and qualification, and the said declaration shall be, as nearly as may be, in the terms and words of the declaration required for Mayor.

5. The said Park Commissioners shall have power to manage all the public parks in the city, to make plans for the improvement of said parks, and to supervise the execution of such plans, and to do all things which they may deem necessary or expedient with respect to the improvement, maintenance, and management of said parks: Provided that all official resolutions, acts, and appointments of said Commissioners, and all plans or expenditures upon which they may determine, shall first receive the assent and approval of the Council before they shall have any legal force or effect.

6. All claims on account of any of said parks shall be certified by the said Commissioners, or by some competent person whom they may appoint for that purpose, and approved of by the Council, before being paid by the City Treasurer: Provided that regular pay rolls and such charges as are authorized by any by-law may be paid under the formalities observed in respect of similar claims in the ordinary business transactions of the city.
